Manly Harbour Village

.....

Steeped in history, Manly Harbour Village is one of Brisbane's only waterfront villages. It overlooks Australia's largest man made marina on the east coast and is the departure point for those wishing to access beautiful Moreton Bay and islands.

The Village is well loved by locals and visitors alike who delight in the diverse array of eateries and fashion, art and giftware boutiques. You are sure to find a treasure at Ebb+Flow Boutique Studio!

Manly Harbour Village also provides for everyday essentials for those staying a little longer such as at the local IGA. Accommodation is plentiful with a diverse range from the Manly Marina Cove Motel to 'home stay' style at the Wynnum Manly Hideaway.

The Esplanade and adjacent parks are vibrant with people enjoying the waterfront, exploring the Sunday Manly Creative Markets and the Jan Powers Farmers Markets on the mornings of the first and third Saturday of each month or enjoying the free Movies in the Park the first Saturday of every month.
